Kimberley Aboriginal Medical Service was also recognised, winning the WA Industry Collaboration Award for its pilot allied health program which upskills family support workers in literacy, numeracy and technology.

Ms Divilli was recognised for completing a Certificate IV in Beauty Therapy at North Regional TAFE Broome and earning qualifications in leadership and business which she plans to use to launch her own beauty business.

Ms Williams was awarded for her work in the local childcare sector, leading North Regional TAFE's Early Childcare Education and Care team and running education programs aimed at attracting locals into the industry.

State's workforce needs and delivering our share of the agenda," she said.

“Our State’s TAFE colleges are world-class and play a crucial role in providing Western Australians with vocational training in their local communities.

“It is fantastic to see so many regional WA TAFE college students recognised as finalists, demonstrating just how instrumental affordable vocational training opportunities are to helping regional Western Australians skill for their local workforce.

“Our individual training award winners are incredible ambassadors for WA’s vocational training sector and exemplify the life-changing impacts of skills training.
